LONDON

UNDERFLOORHEATING
DESIGN | SUPPLY | INSTALLATION

PROJECT BACKGROUND

Urbanest Vauxhall is situated at the centre of Vauxhall Nine Elms - central London's newest, most exciting riverside quarter on the South Bank of the River Thames.

This state-of-the-art, high rise student accommodation topping out at 31 floors offers a range of high specification studio apartments and apartments that offer a sociable, yet secure student living with either en-suite or private rooms.

Each room features mod-cons and of course underfloor heating, installed by UFHN LTD, who's specification included insulation and underfloor heating between an acoustic cradle batten system.

CLIENT

Mechanical

SIZE

6,900m² - 540 rooms.

PRODUCT

Pipe, manifolds, controls and insulation
